

PERUVIAN HAKE FIP

RATING: "A - Exceptional Progress"

DATE: JANUARY 2018

Stage 4 most relevant progresses during the last 12 months:

The data exchange process between Ecuador and Peru regarding the Peruvian hake fishery has resumed. On December 14th, IMARPE prepared an inquiry and PRODUCE formally requesting the information to the Ministry of Ecuador through the Peruvian Office of the Chancellor. In the end of January, PRODUCE received a communication from the Fishing National Institute of Ecuador. Data shows estimated Ecuadorian landings of less than 1200 metric tons fished in 2017, representing less than 2% of Peruvian landings.
